Confidentiality and Non-Transfer Agreement

2002

The documents contained in this web page regarding the products, research and business activities of Rogue Valley Natural Springs, Inc. and Bio-Logic Aqua Technologies Biomedical Research Center ("the Company") are confidential and proprietary to the Company. Authorized Recipients of these documents consist solely of those individuals assigned access codes by the Company enabling them to enter this website and view the documents. Authorized Recipients shall use this material solely for the purposes of (1) obtaining information about the Company's products, (2) assisting them in evaluating the products' indications and efficacy and (3) instructing patients in their use. The material is to be used for no other purpose whatsoever. The authorized Recipient shall now and in the future protect all disclosed proprietary information about the Company by using the highest degree of care to prevent its unauthorized use, copying, dissemination, disclosure or publication. The documents contained in this web page may be used or viewed solely by the authorized recipient and may not be transferred to another individual. The documents, whether read over the website or printed out by the Authorized Recipient, shall be considered as on loan by the Company for the purpose stated above.
